

# CARSINGTON WATER

This circular route around Carsington Water, a Severn Trent reservoir, is about 8 miles long and mostly off-road. There are a number of steep climbs and descents along the way, making the ride more challenging than it might first appear!

This map has been produced by Chesterfield Cycle Campaign, an organisation set up to promote cycling and improve cycle facilities in Chesterfield. Becoming a member helps to demonstrate the support for safer cycling and raises the Campaign's influence at liaison meetings with local councils. For more information telephone the Secretary, Alastair Meikle, on 01246 520820 or visit our website at
