Members News

Barry noted that a Conservative Party leaflet was being circulated which suggests reviewing vehicular access at the end of Linden Avenue.

Barry asked the group whether Storrs Road could be any more cycle friendly, with a general opinion that it was wide enough for better cycle provision.

Barry noted that the Phil Johnson Ironmongers was not being continued as a business but there were two bikes in the shop and it might be worth enquiring about their availability.

Discussion with representatives from Grassland Hasmoor & CNED Ramblers of joint issues

Roundtable discussion on local contacts and knowledge that has proved helpful to leverage support, including updates from Peter on development plans for the Avenue site.

Consensus to keep up communication between the groups.
